LAA will provide the usual fencing materials. Tenant personnel shall meet all badging requirements; therefore no LAA escort will be required for set up or tear down periods. During set up and tear down, tenant will see that no non-badged persons are allowed on the ramp unless they are under direct escort by a badged tenant representative. **Installation of the perimeter fence shall be the first order of business during the approved setup period and shall be the last task accomplished during tear down. Plan to have a gate guard on duty during setup and tear down any time the temporary fence is not fully installed.**
