Answers to questions raised:

1. *How many total proposals will you need, 1 original and how many copies?*

   Answer: Responder shall submit four printed copies and one electronic copy of the Response on a flash drive together in a sealed package.

2. *Do you need one placed on a thumb drive?*

   Answer: See 1. above.

3. *What is driving the 16% year over year growth on enplaned passengers?*

   Answer: The increase in enplaned passengers that has occurred in 2019 is a direct result of added capacity provided by United Airlines.

4. *Would the Authority consider offering an "interim" lease with a term “until the completion of the construction project” then roll into the longer term "5 year, with the 5 year option” contract after the construction is complete?*

   Answer: Given the input received from industry and the FAA, the Authority believes it most realistic that a five-year initial term plus a five-year option is the longest arrangement most likely to receive FAA approval. Please submit your Responses accordingly.

5. *Is there a proposed construction schedule?*

   Answer: At present, there is no firm construction schedule. The Authority is still in the conceptual design phase.
6. *There is a conflict of dates for the question deadline. Is it September 1 (Sunday) or September 2 (Labor Day)?*

   Answer: Questions will be accepted through September 2, 2019.

7. *How many copies of this proposal would the Authority like summitted?*

   Answer: See 1. Above.
